TO BENEFIT NORTHERN RI FOOD PANTRY**

A virtual concert will be presented by husband-wife music team, **Phil and Sue Fortin** on **Sunday, November 15 at 4pm** to benefit the Northern RI Food Pantry. This will be presented via FACEBOOK LIVE on the parish Facebook page <https://www.facebook.com/aidanpatrickchurch>. It will also be post-broadcasted on the parish YOUTUBE channel (see link below). Due to the pandemic, the annual choral concert normally performed by the area churches in Cumberland to raise money has been cancelled. However, the need is greater than ever for donations.

Phil and Sue have been music directors at St. Aidan-St. Patrick Parish in Cumberland since 2006. They have been in ministry for over 25 years together, and have recorded 3 CD's of contemporary worship and prayer music. Their ministry has included youth rallies across New England, concerts, retreats, and workshops. They will be joined by percussionist Greg Goldberg. The concert will include praise and worship songs, original songs and information about the food pantry. To donate now please follow <http://nrifoodpantry.org/Donate.html>. A link will also appear on the concert page.
